To access ALLDATA's "virtual classroom"

- You must have high-speed internet access to use the virtual classroom.**
- Five to ten minutes before the start of class, go to www.alldata.com and click on 'Training and Support'.
- To join a class, select 'Click here to join an ALLDATA Training Session' or scroll down and click on 'ALLDATA WebEx Training'.
- Select the class you wish to attend and check the 'Status'.
 - If the Status is 'Not Started', please wait for the Instructor to start the class.
 - If the Status is 'Join Now', the class is open – click on 'Join Now'.
- Complete the registration form and follow the directions on the pop-up window to join the teleconference link.

**If you don't have high-speed internet, need to schedule a 'teleconference' training session, or wish to ask questions, please call 1-800-684-6840 (for Spanish 1-800-829-8727 y oprime 3428).

All class start times listed on website are for the **Central Time Zone**. To see class start times for other time zones, please visit www.alldata.com and click on 'Training and Support' then 'Current Training Schedules'
